Dear Member,

I am pleased to inform you that the Club has been able to put together a training rota for May (see attached).

Of course, we will for the moment have to adhere to government regulations. We intend to hold two classes in separate areas both commencing at 18.00pm

These sessions will require booking in advance and to do this please call Gill on 07969362775, once booked we would ask that if you are unable to attend on the night you let Gill know so that it can be offered to another member.

For new members who have not attended a training session you will require a slip lead, whistle and lanyard. These items can be purchased at Moles in Newport or online.

A warm welcome awaits you back to training and especially to newcomers.

If you require any further information, please do not hesitate to contact me.

Yours,

Ann Gallin
